

Fee and Refund Policy and Procedure

Purpose

This policy and procedure explain the process for establishing and collecting fees and charges from students, protection processes for fees collected whilst the student is enrolled at Xpert Solutions and refund arrangements available to the students.

Applicants must agree to the terms and conditions of enrolment as provided within the Written Agreement and pay the required fees upon signing the agreement prior to training commencing. Failure to pay tuition fee is a breach of the Written Agreement and may be subject to their enrolment being cancelled.

Student tuition fees collected prior to their course commencing will be held in a separate holding account and not transferred to the general account until the course commences.

The balance of the holding account at any time will represent:

1. Tuition and materials fees collected from applicants who have signed an agreement but not yet commenced, and
2. Tuition fees collected from students who have commenced their course but have yet to commence one or more study periods.

Tuition fees do not cover excursion activities. Students will be required to pay excursion costs in addition to tuition fees. Students must pay fees as agreed to in the enrolment contract.

Students may withdraw within three (3) calendar days of signing the Written Agreement and receive a refund of all fees paid, excluding any clearly identified non-refundable charges disclosed prior to enrolment. Any cooling-off arrangements will be applied consistently and transparently.
